### **Notre Dame Catholic High School Girls Curling Team Advances to Provincial Finals In Ottawa Despite EOSSAA Loss**

**Carleton Place, On** – The girls curling team from **Notre Dame Catholic High School** will be defending their OFSAA title this year, but not after celebrating a win at the Eastern Ontario Secondary School Athletic Association championships held in Carleton Place on February 27th and 28th.

Fellow **CDSBEO High School St. Mary's** from Brockville snatched victory away from Notre Dame with a 4-3 victory after a steal of one in the final end.

**Notre Dame teacher-coach Mark Melville** was disappointed with the loss stating, "We played well in this tournament. It certainly was a well played championship on both sides of the rink. There were great shots going both ways, any time you lose on last rock, you know it's been a good game. But we are ready for OFSAA and I am pleased that the CDSBEO will be represented by two schools."

**Notre Dame is made up of Skip Celeste Butler-Rohland, Lead Tracy Reginbald, 2nd Nicole Butler Rohland, 3rd Megan Reginbald and alternate Alex Howard.** The team posted a 4-1 record at the tournament.

**St. Mary's Coach Michel Labonte** is proud of his team's accomplishment, "I am absolutely amazed. This team did such a great job after being together for only two weeks. The girls came back from adversity and are excellent representatives for the Catholic District School Board of Eastern Ontario."

**The St. Mary's team is made up of Skip Jaclyn Peters, lead Kyla Boisvert, 2nd Rebecca Seed and 3rd Laura Labonte.**

Both teams now advance to the OFSAA final being played in Ottawa from March 22 to 26. Notre Dame is granted a berth in the provincial final as defending champions.
