**A maximum of two credits in Cooperative Education may be used as Compulsory Credit Requirements.

ONTARIO YOUTH APPRENTICESHIP PROGRAM (OYAP) APPLICATION PROCESS

1. If you are interested in starting an apprenticeship while still in high school, arrange an interview with a Guidance Counsellor to review your graduation requirements.
2. In Grade 10, select "Discovering the Workplace" (GLD 2O) for excellent preparation for Cooperative Education. In your Grade 10 year, attend a Cooperative Education assembly and schedule an individual interview with a Cooperative Education Teacher.
3. In Grade 11 and/or Grade 12, select a 2 or 4 credit Cooperative Education program.
4. Apprenticeship candidates will be placed with an employer who is prepared to evaluate/train with a view to registering the student as an apprentice. (Students must be 16 years of age or older, have a minimum of 16 credits and must have a Social Insurance Number)
5. With the assistance of the Board OYAP Coordinator, a Training Consultant from the Ministry of Training, Colleges and Universities will visit the work placement to interview the student and employer.
6. If both parties agree, the student will be registered as an apprentice for the duration of the semester.
7. At the discretion of the employer, the student may continue as an apprentice after graduating, or may be hired by a different employer to continue completing the apprenticeship.

ONTARIO SKILLS PASSPORT (www.skills.edu.gov.on.ca):

This website provides free access for students, allowing them to identify and develop their workplace skills and create work plans they can take to employers. The passport is used in high school Guidance and Cooperative Education courses. Please obtain information from your Guidance Department or Coop Teacher.

For information on how to graduate with a **Specialist High-Skills Major** on your diploma, please consult a Guidance Counsellor or Cooperative Education Teacher.

CATHOLIC DISTRICT
SCHOOL BOARD OF
EASTERN ONTARIO

Essential Employability Skills
