

**1. Purpose:**

To outline the Religious Education requirements for people seeking leadership positions within the Board and to outline the reimbursement of course cost for part I for educational staff.

**2. Procedures:**

- i. That Religious Education Part II and Part III be mandatory for persons seeking leadership positions within the Board;
- ii. That Part II, be mandatory for position of consultants and vice-principals;
- iii. That all teachers are encouraged to complete Part I within the first two years of employment and that the Board subsidize the course between half to the full cost of the individuals.
