

**ST. FRANCIS DE SALES SCHOOL, SMITHS FALLS  
PERMISSION & ACKNOWLEDGEMENT FORM**

**Walking Form:**

I give permission for my son/daughter \_\_\_\_\_ Gr. \_\_\_\_\_ to participate in supervised class walks/or bus trips off school property for things like: tours, physical education activities, Science Fairs, etc. within the limits of Smiths Falls during the school year 2009-2010.

During the intermediate physical education class, students will be required to run/walk to Hyland Park. This entails crossing several streets as well as railway tracks. It is understood that safety procedures will be reviewed by staff and that the students will be supervised during these activities. If you feel that your son/daughter requires special direct supervision, please notify the school in writing.

A notification will be sent home for any activities requiring bus transportation outside the town of Smiths Falls.

**Lunch Expectations:**

It is expected that all students eat their lunch at school. Students cannot leave the school grounds during lunch unless they are walking students who have written permission to do so for the **entire** school year. We strongly discourage parents from bringing in hot lunches as it is disruptive to classroom routine. Parents may always sign students out at the office for lunch. Only intermediate students (ie) grade 7 and 8, who are in "good standing" and have brought in a note from home for the year, may sign out at the office and leave the school grounds for lunch. Any parents that **DO NOT** want their 7 and 8 students to have this sign out privilege, must notify the office.

**Agendas:**

I acknowledge that it is my responsibility to go through our school agenda and review all safety and school procedures.

Parent / Guardian Signature: \_\_\_\_\_

**PLEASE RETURN TO THE SCHOOL AS SOON AS POSSIBLE**
