SEPARATE SCHOOL SUPPORT

Explanation of the Separate School Assessment Lease

Enclosed is a Separate School Lease. Provincial legislation states that unless all owners or tenants of a property are Roman Catholic, you will be identified as Public School Board supporters/electors. This identification applies even if the person who is not Roman Catholic asks to be a Separate School supporter/elector.

When one owner/tenant is not Roman Catholic and yet wishes to be identified as a Separate School supporter/elector, a "Separate School Lease" must be completed. It is the only means of identifying you as a Separate School supporter/elector.

We have prepared the required Lease and would ask that both parties sign where indicated. This lease is automatically renewable as long as you remain at the same property. Once you move, another lease must be completed for the new property.

Please note:

The two dollars rental referred to is to be paid by the Roman Catholic person to the non-Catholic person. Please do not enclose the two dollars since this is strictly a legal technicality.

If you have any questions regarding the Separate School Assessment Lease, please telephone the CDSBEO at 613- 209-9279.

Learning and Growing Together in Christ.
