POLICY STATEMENT:

In keeping with the Catholic District School Board of Eastern Ontario's Mission Statement and its Guiding Principles, the Catholic District School Board of Eastern Ontario is a Catholic community in which all persons are invited to live the vision of the gospel message. This is done through our relationship with God and our relationship with others. The respect and dignity with which we treat one another are fundamental to the living of the vision and central to our Christian philosophy. In keeping with this philosophy, the Board recognizes the rights and freedom of all persons to develop and grow as individuals.

The Board will:

- do its utmost to prevent, investigate and resolve any employment-related incident or complaints of harassment, workplace violence, and/or discrimination in a timely manner, respecting the privacy of all concerned, to the extent possible, against any or all of its employees and volunteers.
- employ qualified Catholic teachers to ensure the delivery of the highest quality of program for our pupils. Where Catholic teachers are not available, the Board will employ qualified non-Catholic teachers who will support Catholic values in their teachings.
- ensure a hiring process that is free from any bias and/or conflict of interest, and that is fair, equitable and non-discriminatory.
