BOARD POLICY

SECTION F

F1

Communications Communications Systems

POLICY STATEMENT

The Catholic District School Board of Eastern Ontario will provide students and employees with access to the Board's electronic communications systems, including Internet access as required for work or study. The Board reserves the right to access all information and monitor usage at any time on all of its electronic systems.

Administrative Procedures will be developed, on an on-going basis, to ensure that the electronic communications systems are used for education and work purposes.

Access will be denied or revoked if system users do not adhere to the Board's Administrative Procedures.

Date of Board Approval: April 3rd, 2001
